## OVERSEAS DATES FOR INTENSIFIED

Traditional ska/reggae/rocksteady stalwarts INTENSIFIED head overseas again for dates at MTC in Cologne on Friday February 17th, Melkweg in Amsterdam on Saturday February 18th and Effenaar in Eindhoven on Sunday February 19th.

The two Dutch dates are International Ska Festivals featuring the likes of Winston Francis with the High Notes, Moon Invaders, Spitfire from Russia and 2 Tone Club from France.

INTENSIFIED have had their "Catch The Beat2 and "Forever" released as a 7" single on the recently re-launched legendary Blue Beat label. Copies are available for £3 from 9 Gainsborough Close, Folkestone, Kent CT19 5NB (cheques should be made payable to Richard Murrill).

For more information, visit [www.intensified.net](http://www.intensified.net)

## LENNY IN NME

LENNY continue to go from strength to strength after winning through their heat in the Emergenza battle of the bands at West One Four in West Kensington, London last month. And the band are due to appear in the NME out on Wednesday February 22nd.

LENNY have also recently signed a small deal with an independent label which will see their CD made into a promo and distributed to national and international radio stations, promoters, management and press. The band's song "Rock 'n' Roll Circus" will be put into the Official Download Chart and be available online from iTunes, Virgin, HMV, AOL, Napster, Karma Download and many more. The song can also be made into ringtones for your mobile!

The band play at the South eastern Tavern in Ashford on Saturday February 4th; Hark To Towler in Manchester on Friday February 10th; the Neptune in D6ymchurch on Thursday February 16th; the Happy Frenchman in Folkestone on Saturday February 18th (with THE CHASE SCENE) and the Pleasure Unit in London's Bethnal Green on Wednesday February 22nd.

## BIG NAMES AT THE LEAS

THE ALKALINE TRIO play at the Leas Cliff Hall in Folkestone on Tuesday February 21st. The Chicago kings of all things dark and sumptuous saw their album 'Crimson' go silver in the UK with full MTV and Radio 1 support. Singles "Mercy Me" (which reached the top 30) and "Time To Waste" (number 32) are followed by "Burn", released on February 20th.

THE ORDINARY BOYS play the Leas on Sunday March 26th (already sold out) and THE CHARLATANS return to the cliff-top venue on Thursday May 4th.

Call the Box Office on 01303 228600.

## LONE STAR COMEDY CLUB

The infamous CHRIS LYNAM returns to the Lone Star Comedy Club at the Lanterns in Folkestone on Saturday February 18th where he is joined by CHRIS McCAUSLAND, TOM BELL and compere DAVID WARD. Chris previously appeared in July and is probably the club's most talked about act after his antics last summer.

CHRIS LYNAM is a legendary beast of comedy who has performed all over the world with an anarchic display that is both hilarious, unnerving and strangely moving whether it is playing 'fruit cricket' from the top of a pair of ladders or sticking an exploding roman candle up his buttocks and singing 'there's no business like show business'. He is a regular on the comedy circuit throughout Europe and at festivals such as Montreal, Edinburgh, Melbourne and Glastonbury. He has performed on a number of top bills and during some of the seminal moments in the history of stand-up and has played in the interlude at gigs for The Rolling Stones, Bryan Adams and Bob Dylan.

After a harebrained idea that went just a bit too far, CHRIS McCAUSLAND first gave stand-up a go during the summer of 2003. In the 12 months that followed he was not only voted Jongleurs' best newcomer but also achieved a top three placing in another three premier national competitions, including Channel Four's "So You Think You're Funny?" Although registered blind, Chris chooses to talk only occasionally about his disability as he believes that the audience should be able to relate to as much of his material as possible. Instead his material spans from the real to the ridiculous – whether it is about university shenanigans or the all too depressing world of the giraffe .. and with the odd tale of embarrassment thrown in for good measure!

Fresh from standing in the spotlight of Footlights, TOM BELL is a new and exciting face of live comedy. Quirky observations and wry witticisms underlie Tom's performances, originally showcased in The Mystery Club, his weekly London sketch show and solo stand-up gig. Character impersonations are interwoven with sketch improvisation as he masterfully moves from a soft-speaking giant shrinking a small can of brew to a quick-tongued satirist reporting on contemporary life and times. Tom's credits include The Comedy Zone at Edinburgh Fringe Festival 2004, a major UK theatre tour with Cambridge Footlights in 2002, his university role as Satire Editor of The Cambridge Student and his recently established website including cartoon strip Cambridge High.

DAVID WARD is a friendly, upbeat comic with a cynicism that gives his comedy a unique gentle bite, Fluid, quick thinking and with an original take on life, he is much sought-after as both a great comedian and compere. David has supported both Harry Hill and Frank Skinner and performed as warm up to Sky's Richard Littlejohn Show.

Tickets are £8 each or £64 for a table of eight on the main dance floor area. Call Richard on 07810 864228 to book your place. Doors open at 8pm, with the show starting at 8.30pm.
