CHARITY FOOTBALL MATCH

There is a football match with a difference on Sunday October 23rd when a team of South Kent musicians (Sonic Seaside) play a team of North Kent musicians (Medway Musos) at Folkestone Invicta's Buzzlines Stadium. Kick off is at 2pm.

The line ups are likely to include members of Battleska Galactica, Kingskin, Cubic Space Division, Seventh Story, Godless Reds, Sunshine Bus, One Day Elliott, 3dBs Down and Los Salvadores.

The fun does not stop there as after the game it is into Stripes Club for a gig featuring 3dBs DOWN, ONE DAY ELLIOTT, LOS SALVADORES, THE STATE ADDICTION and EIGHT WEEKS.

JOHN PEEL DAY

BEAMER, A THOUSAND LEAGUES BELOW, THE CHASE SCENE, LENNY and CRAIG HAMMER play at the Southcliff Hotel in Folkestone on Thursday October 13th in memory of legendary dj John Peel, who died at the age of 65 whilst on a working holiday in Peru in October 2004.

Craig Hammer of the Chase Scene explains that "the idea for having a gig in honour of John Peel was unfortunately not initially ours, but is certainly something that The Chase Scene are really keen to support. Radio One has been asking people for a month or so now to either go to, or have a gig in honour of John Peel, on October 13th, John Peel Memorial Day". Tickets are £5 on the door and all money goes to the British Heart Foundation. Doors open at 6pm.

LIVE DATES FOR INTENSIFIED

INTENSIFIED return to the Beer Cart Arms in Canterbury on Tuesday October 18th for a date with THE BIG and then head to Spain for dates at Barraques in Banyoles (Thursday October 20th), Scumm in Tarragona (Friday October 21st), Gruta 77 in Madrid (Saturday October 22nd) and KGB in Barcelona (Sunday October 23rd).

WHAT'S ON AT STRIPES

Gigs return to Stripes Club in Folkestone on Friday October 7th with HOWARD'S ALIAS on their last ever tour, supported by BATTLESKA GALACTICA and NAVAJO CODE.

On Sunday October 23rd at Stripes (from 6pm) you can see 3dBs DOWN, ONE DAY ELLIOTT, LOS SALVADORES, THE STATE ADDICTION and EIGHT WEEKS after the afternoon's charity interbands football match. And then on Friday November 4th it is the turn of KINGSKIN, 8-FOLD and EVIL JIM.

LANTERNS LINE UP

There is a varied line up at the Lanterns in Folkestone this month with CUBIC SPACE DIVISION, THE MURDER OBSESSION, FALLEN GROUNDS and BOSSK on Friday October 7th; the last appearance from SEVENTH STORY on Friday October 14th with Bristol's ELLA and DELFSIDE; the Lone Star Comedy Club on Saturday October 15th; and a Halloween special with THE CHASE SCENE, PARADOX and new punk band SCREWLOOSE on Friday October 28th in conjunction with www.mrgig.com

LONE STAR COMEDY CLUB

The next Lone Star Comedy Club night takes place at the in Folkestone (Rendezvous Street) on Saturday October 15th with Canadian RON VAUDRY, LEE BANNARD, newcomer DEL STRAIN and guest compere ROB HEENEY.

Intelligent, witty and sardonic, RON VAUDRY is the thinking man's comedian. A satirical genius teetering precariously at the edge of comedy, Vaudry guides audiences through a series of hilarious, yet thought provoking political and social observations.

A favourite at both the Just For Laughs International Comedy Festival in Montreal and the Edinburgh Comedy Festival in Scotland, Ron has parlayed his stand up success into headlining appearances at major comedy clubs on several continents. He is also a favourite at campuses across North America.

His numerous television appearances include CBC's "COMICS!", "Friday Night with Ralph Benmergui", "Comedy @Club 54" and "The Late Show" with Arsenio Hall. He has also been featured on several radio programmes including CBC's "Madly Off In All Directions" and "Definitely Not The Opera". Cynical, angry and always controversial, Ron is truly a talent to be savoured.

Having been on the circuit for just two years, LEE BANNARD is already making a name for himself as one of the country's best deadpan acts. Taking droll interpretation from the likes of Jack Dee, Mackenzie Crook and American comic Stephen Wright, Lee's collection of observations and experiences are all presented in his own inimitable and slightly threatening manner. After a few short months on the circuit, Lee was a finalist in the 2004 Channel 4 "So You Think You're Funny" competition and was this year hand-selected to be part of The Comedy Reserve package show in Edinburgh. The depth of his writing, buttressed by wonderful offbeat performances mean that he is a true comic revelation, and one inevitably destined for much bigger things.

Tickets are £8 each or £64 for a table of eight on the main dance floor area. Call Richard on 07810 864228 to book your place.
